#### 90TH ANNIVERSARY OF HADASSAH

### HON. MELISSA A. HART

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 26, 2002*

Ms. HART. Mr. Speaker, today I would like to take this opportunity to honor the 90th anniversary of one of the Nation's leading organizations, Hadassah, the Women's Zionist Organization of America, paying special honor to the Greater Pittsburgh Chapter and the Aliquippa, Ohio Valley Group. In the past nine decades, Hadassah has become the largest women and largest Jewish membership organization in the United States with over 300,000 members and 1,500 chapters across the country.

Founded in 1912 by educator Henrietta Szold, Hadassah has been dedicated to pursuing social justice, ensuring Jewish community, promoting a prosperous and peaceful Israel, and providing for the health, education, and well being of American Jewish women and their families. Of the many positive activities and humanitarian missions the members of Hadassah partake, their greatest achievement is their network of world-renowned medical and educational facilities in Israel. Their flagship project, the Hadassah Medical Organization, provides health care of the highest quality to numerous individuals from all areas of the Middle East, without regards to race, religion, or nationality. The Hadassah Medical Organization also provides training for health care professionals from all corners of the world. For 90 years, Hadassah has supported peace and stability in the Middle East.

In addition, the members of the Hadassah Pittsburgh Chapter, and the Aliquippa, Ohio Valley Group have been involved with a number of issues concerning women and the Jewish community in the United States. They have advocated a program for breast cancer detection and awareness, sponsored Jewish family programs, and encouraged civic participation on public policy through their Government Relations Unit. This is included with local support of the Women's Center of Beaver County.

Finally, I would like to congratulate Hadassah and its members within the Greater Pittsburgh Chapter and Aliquippa, Ohio Valley Group for their commitment to helping numerous individuals, and improving the quality of their lives in the Middle East and across America. May they continue to advocate for peace and well being domestically and abroad for another 90 years.

#### CELEBRATING 90 YEARS OF HADASSAH

### HON. SHELLEY BERKLEY

OF NEVADA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 26, 2002*

Ms. BERKLEY. Mr. Speaker, it is my great pleasure to publicly acknowledge one of the

finest volunteer organizations in America. Founded by Henrietta Szold in 1912, Hadassah has been a shining example of the Jewish commandment, "Tikkun Olam," healing the world.

I am proud to be a longtime, and life member of a group that has been a strong advocate for American-Israeli relations, the Jewish religion and family, civil liberties, and women's health. Over the course of the past nine decades, Hadassah has demonstrated an unsurpassed compassion and zeal for improving the quality of life for Jews, and for all people, everywhere.

Hadassah's best known project is the Hadassah Medical Organization. This world renowned medical complex provides unsurpassed medical care, world class research and professional training for the people of the Middle East. Set in the heart of Jerusalem in Mount Scopus, and in Ein Kerem, the Hadassah Medical Organization has long been a symbol of Jewish values. Built in one of the world's most troubled regions, Hadassah's hospital has consistently provided the highest quality of medical care to all people, regardless of race, religion, or national identity. Hadassah doctors have been the hidden heroes for fallen soldiers, the victims of countless terrorist attacks, and ordinary people, Arab and Jew alike, who seek medical care for their children.

Hadassah is also the sponsor of the Young Judaea program, one of the most impressive Jewish youth organizations in the world. Young Judaea has played a critical role in the development of tens of thousands of American Jewish youth. Located throughout the United States, Young Judaea offers Jewish youngsters an opportunity to interact with other Jewish youth, and learn about their Jewish identity, Zionism, and commitment to their community. In addition to their successful summer camp program, Young Judaea provides outstanding programs for young Americans in Israel. Through Hadassah, Young Judaea has enriched the lives, and broadened the horizons of generations of Jewish youth.

Hadassah's efforts improve the lives of all women, the Jewish community, and all Americans. Their Women's Health Department runs a nationwide "Check It Out" campaign to detect and raise awareness of breast cancer. Hadassah has also played a central role in encouraging women to participate in the political process. Members have lobbied tirelessly on issues including the rights of women, church-state separation, and foreign affairs. Hadassah's 300,000 members are voices heard on every issue, in every state.

As a Jewish woman, Hadassah has been a major force in my life. Membership has prepared me well for public service. For nine decades, Hadassah women have been leaders in our communities, and the inspiration for our nation's Jewish youth. We have a great debt to pay to Henrietta Szold, and the hundreds of thousands of women who have helped make Hadassah the organization it is today.

I congratulate my Hadassah sisters for a job well done, and done well.

#### CELEBRATING 90 YEARS OF HADASSAH

### HON. TAMMY BALDWIN

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 26, 2002*

Ms. BALDWIN. Mr. Speaker, I rise today in recognition of the anniversary of Hadassah, the 90th Women's Zionist Organization of America, Inc. Hadassah, a women's volunteer organization founded in 1912 by Henrietta Szold, is today the largest women's and largest Jewish membership organization in the United States. With more than 300,000 members, Hadassah seeks to promote the growth and unity of the Jewish community within the United States as well as strengthen its partnership with Israel.

During the past nine decades, Hadassah has been devoted to initiating and supporting health care, education, youth institutions, and land development in Israel. The Hadassah Medical Organization, one of Hadassah's greatest achievements, currently provides the highest standard of health care to individuals throughout the Middle East. In accordance with Hadassah's humanitarian mission and its strong support of a peaceful and secure Middle East, service is provided to individuals regardless of race, religion, or nationality. The Hadassah Medical Organization also serves as an excellent tool for training health care professionals around the world.

In addition to its efforts in Israel, Hadassah has been involved in many issues concerning women and the American Jewish community. The Rachel Szold Henrietta Chapter in Madison, one of Hadassah's earliest chapters, has been very active in the community, providing programs concerning the advocacy of women's issues as well as health issues. In the past, they have held a "Fun and Fitness Day," which is an active health fair with workshops. Last September, Hadassah, along with other local Jewish women's organizations, held a medical education discussion on hereditary cancers in Ashkenazi women. These are just a few of the events that the Madison chapter, and other chapters across the country, have held to benefit women and health.

I wholeheartedly congratulate Hadassah for many years of success as a volunteer organization. I am proud to recognize this organization on its 90th anniversary.

Mr. CARDIN. Mr. Speaker, I rise today to congratulate Hadassah, the Women's Zionist Organization of America on its 90th anniversary and to pay special tribute to the largest Jewish women's membership organization in America.
